MAHONING COUNTY PUBLIC HEALTH

POSITION DESCRIPTION: PUBLIC HEALTH NURSE

RESPONSIBLE TO: Director of Nursing and Community Health

JOB SUMMARY: This is a professional public health nursing position. A registered nurse in this category performs the full range of nursing duties at the Mahoning County Public Health clinic sites, and/or performs the full range of nursing duties in specialized areas of nursing services.

ESSENTIAL FUNCTIONS:

1. Participate in programs of the Nursing and Community Health Division, i.e., Cribs for Kids Safe Sleep, Get Vaccinated Ohio, Infectious Disease Surveillance, Well Child Clinics, Children with Medical Handicaps, Immunization Clinics, Community Health Assessment and Community Health Improvement Plan implementation, community education, and WIC Clinics.
2. Visit homes in designated areas that require follow-up for Children's Services Board, hospitals, physicians, schools, T.B. Clinic, WIC, and others.
3. Participate in the comprehensive school health program and assist school nurses as needed.
4. Recognize and report the medical service needs in designated areas to appropriate people.
5. Counsel, instruct, and monitor the health of individuals and families in designated areas.
6. Cooperate with other community agencies to provide health education and promote health services.
7. Maintain records on activities according to defined procedures.
8. Assist with vision, hearing, and other screening in Mahoning County schools as needed.
9. Follow up on communicable diseases.
10. Assist with mandated Ohio Department of Health required programs.
11. Assume responsibilities of co-workers in their absences.
12. Continuing education to update knowledge in all phases of public health nursing.
13. Serve on relevant local community and interagency committees. E.g., participates with management and staff for Continuous Quality Improvement (CQI), Strategic Planning, and Public Health Accreditation Board (PHAB) committees.

14. Perform other duties as assigned.

MINIMUM QUALIFICATIONS:

Graduate of an accredited school of nursing. Baccalaureate degree in nursing or related field. Possession of a current, valid, unrestricted license to practice as a Registered Nurse in the state of Ohio. Knowledge of principles and objectives of public health nursing. Knowledge of relevant social and economic forces that affect health. Knowledge of family and inter-group relations. Knowledge of nature and use of other community health resources. Valid driver's license required.
