To see if your baby qualifies for a **free**

Cribette

Please call Mahoning County Public Health

330-270-2855 ext. 125 or 155

Infant Safe Sleep

Baby sleeps safest alone, on their back, in a crib.

Cribettes are safe for all naps and overnight sleep for the first year of a baby's life. The AAP recommends that babies sleep in a crib, bassinet, portable crib, or play yard that conforms to the safety standards of the Consumer Product Safety Commission (CPSC).
