RE: Recall Announcement (ODA/ODH) 2019-07

Caito Foods LLC. Recalls Salads with Chicken Products due to Misbranding and Undeclared Allergens

Caito Foods LLC., an Indianapolis, Ind. establishment, is recalling approximately 1,767 pounds of salad with chicken products due to misbranding and undeclared allergens, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. The products contain soy, a known allergen, which is not declared on the product label.

The ready-to-eat salads with chicken items were produced on May 12 through May 15, 2019. The following products are subject to recall:

- 13.5-oz. plastic square bowl packages containing "Greek Salad with Chicken with Chicken Breast & Red Wine Olive Oil Vinaigrette Dressing" and Sell By dates ranging from 05/18/19 through 05/21/19 represented on the label.
- 11.25-oz. plastic square bowl packages containing "Tuscan Style Caesar Salad with Grilled Chicken with Grilled White Chicken Tossed In Pesto" and Sell By dates ranging from 05/18/19 through 05/21/19 represented on the label.

The products subject to recall bear establishment number "P-39985" inside the USDA mark of inspection. These items were shipped to Kroger retail locations in Illinois, Indiana, Kentucky, Michigan, and Ohio.

The problem was discovered by the recalling firm during label verification activities.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

FSIS is concerned that some product may be in consumers' refrigerators. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify that recalling firms are notifying their customers of the recall and that actions are being taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at www.fsis.usda.gov/recalls.

Consumers with questions about the recall can contact Caito Foods LLC.'s Consumer Feedback Line at (844) 467-7278. Members of the media with questions about the recall can contact Meredith Gremel, Organizational Communications, Spartan Nash, at (616) 878-2830.
