## Rural Mahoning County Residents – We Want to Hear From You!

If you are a Mahoning County resident living in a rural area, then the Mahoning County District Board of Health along with a number of local health partners want to learn what health concerns you have for yourself and your community.

Your participation in a simple one hour conversation will play a direct and critical role in building a healthier Mahoning Valley.

This conversation will include questions about general health as well as access to health care. “The goal of this meeting is to identify health priorities and the strategies needed to improve health outcomes for all community residents,” said Patricia Sweeney, health commissioner, Mahoning County District Board of Health.

The meeting will be held with Mahoning County residents living in rural areas on:

Tuesday, November 27, 2018  
7:00 – 8:00 p.m.  
Ellsworth Town Hall  
11125 Akron-Canfield Road  
North Jackson, OH 44451

Reservations are required and space is limited to the first 15 participants.  
Each person will earn \$30.00 for participating!
