## Mahoning County Public Health to Offer Rabies and COVID Vaccination Clinics

Rabies Vaccination for dogs, cats, and ferrets and COVID Vaccinations for any person over the age of 18 years of age will be offered at Angels for Animals on Saturday, June 5.

- Date: Saturday, June 5, 2021
- Time: 10:00 AM – 2:00 PM
- Place: Angels for Animals  
4750 W. South Range Road, Canfield, OH 44406

In Mahoning County, rabies vaccination is required for all dogs, cats, and ferrets over 3 months of age. Cost is \$8.00 per rabies shot (cash only). Pet owners must have their pets on a leash, in a cage, or carried inside a pillowcase. This is a low-cost clinic that does not include a physical examination of the animal. The veterinary staff reserves the right not to vaccinate any animal in the event the animal appears to be in poor health. To receive the 3-year booster, bring proof of prior rabies vaccination on or after June 5, 2020. Without proof of prior vaccination, the pet will receive a 1-year vaccination only. No appointment is necessary for Rabies Vaccinations.

The Johnson and Johnson (J&J, one shot) will also be available for those over 18 years of age. Appointments can be made through MCPH's scheduling system, ArmorVax, which can be found at [www.mahoninghealth.org](http://www.mahoninghealth.org), or by calling 330-270-2855 Option 3. Walk-ins for COVID vaccinations are also welcomed.

Please see our [website](http://www.mahoninghealth.org) for more information
