Mahoning County Public Health has On-site Vaccination Clinics Available for Businesses

Ohio's COVID-19 Vaccine Program now allows vaccine providers to use vaccine to support employer or organization vaccine programs. This includes partnering with businesses or organizations, including nonprofits, to conduct on-site vaccination clinics, making it easy and convenient for employees or members of organizations to be vaccinated.

Mahoning County businesses who are interested in scheduling an on-site vaccination clinic at their location are asked to submit their request through the following survey link, which can also be found on our website. <https://www.surveymonkey.com/r/MJM8F99>

A coordinated effort by employers to vaccinate their employees has many benefits including:

- Keeping the workforce healthy
- Reducing absences due to illness
- Improve productivity
- Improve morale

Members of the news media with requests for information from Mahoning County Public Health must submit requests to our PIO Team by one of the following methods.

- **Email(24/7/365):** PIOTeam@mahoninghealth.org with your name, contact information, the media outlet you are representing, and the information you are requesting.
- **Phone During Business Hours (8 AM to 4:30 PM):** (330) 270-2855 please dial extension 109 - if there is no answer, please leave a message or press 0 to speak with the operator who answers the line.
- **Phone After Hours: (330) 270-2855, please dial extension 414 and leave a detailed message on our after-hours reporting line including your name, contact information, the media outlet you are representing, and the information you are requesting. The message will be routed to a member of our leadership team.**
- **Calls placed to personal cell phones will not be returned.**
