## Rabies Vaccinations

Rabies vaccinations are required for all dogs, cats, and ferrets over 3 months of age.

Cost is \$8 per shot, CASH ONLY.

No appointment necessary.

- ❗ Bring proof of prior vaccination on or after August 7, 2021 to receive the 3-year booster. Without proof of prior vaccination, pet will receive a 1-year vaccination only.
- ❗ Owners must have their pets on a leash, in a cage, or carried in a cloth pillowcase.
- ❗ This is a low-cost clinic and does not include a physical examination of the pet. Some additional veterinarian services may be available for additional fees, upon request, by Angels for Animals. These services would be subject to Angels for Animals staff availability.
- ❗ Veterinary staff reserves the right to not vaccinate a pet that appears to be in poor health.

Costs for the Rabies Vaccinations are kept to a minimum through a sponsorship from Mahoning County Public Health and volunteer services provided by Dr. Mike Sabihi, D.V.M. and Angels for Animals.
